About the job

We are seeking a visionary Mathematics educator to lead our Senior Secondary department. This isn't just a teaching role; it's an opportunity to shape the pedagogical approach of one of Nigeria's most historic institutions.

As the Senior Mathematics Lead, you will be responsible for driving academic excellence, mentoring junior faculty, and ensuring our students are prepared for both national and international examinations with absolute confidence.

Responsibilities

- ✓ Design and implement a dynamic curriculum that bridges the gap between WAEC and IGCSE standards.
- ✓ Lead weekly departmental strategy sessions to review student performance data and pedagogical shifts.
- ✓ Spearhead the "Maths for All" initiative, providing remedial support for struggling students and advanced tracks for high achievers.
- ✓ Maintain regular communication with parents regarding student progress and holistic development.

Requirements / Qualifications

Essential

- B.Ed or B.Sc in Mathematics with PGDE.
- TRCN Registration is mandatory.
- Minimum 7 years teaching experience.

Desirable

- Master's degree in Education.
- Experience with Google Classroom.
- Previous leadership experience.

About the employer

"Providing a tradition of excellence since 1928, St. Gregory's College is dedicated to the holistic development of the Nigerian child through discipline and hard work."

Located in the heart of Ikoyi, our campus provides a serene and technologically advanced environment for both students and staff. We pride ourselves on our community of educators who are more than teachers—they are mentors.
